

550 Series 600 TVL Analog Bullet Cameras (White and Gray)

The WPS-550-BUL-A Day/Night Outdoor Varifocal Bullet Cameras feature enhanced resolution, clear video, and improved visibility, making them ideal for use in warehouses, retail buildings, offices and residential locations. And an adjustable field of view lets them get up close and personal with objects of interest.

Features

High-Resolution

IR/Sense-Up

Outdoor-Rated

Adjustable Lens

D-WDR

Provides Crisp, Clear Images

Uses Digital Wide Dynamic Range (D-WDR) to create even lighting and clear images in areas with lots of natural light, and features a digital signal processor that produces crisp, clean pictures.

Sees in the Dark

Features Smart IR to eliminate overexposure and evenly illuminate subjects so they can be seen clearly even in the dark.

Compensates for All Kinds of Lighting

Whether dealing with background or foreground space, bright lights or dark areas, LED intensity or uneven contrast, this camera is equipped with a slew of technology to handle it all – and produce crystal-clear, easily-identifiable images.

Keeps Designated Areas Private

Blocks out sensitive or privileged areas defined by users to ensure privacy of controlled access areas or home interiors.

5-Year Limited Warranty

This camera has a 5-Year Limited Warranty. The warranty includes parts and labor repairs on all components found to be defective in material or workmanship under normal conditions of use. This warranty shall not apply to products which have been abused, modified, disassembled or improperly installed. Products to be repaired under this warranty must be returned to Snap AV or a designated service center with prior notification and an assigned return authorization number (RA).
