

### 750 Series 650 TVL Analog Bullet Cameras (White and Gray)

The WPS-750-BUL-AH Day/Night Outdoor Varifocal Bullet Cameras provide optimal performance with maximum visibility, a high resolution, clear video, and an adjustable field of view. These smart cameras are ideal for use in perimeter monitoring, warehouses, entrances, and a variety of other commercial and residential applications.

#### Features

High-Resolution

IR/Sense-Up

Outdoor-Rated

Adjustable Lens

S-WDR

#### Provides Crisp, Clear Images

Uses Super Wide Dynamic Range (S-WDR) to create even lighting and clear images in areas with lots of natural light, and features a digital signal processor that produces crisp, clean pictures.

#### Sees in Color - in the Dark

Eliminates overexposure to evenly illuminate subjects in dark lighting, and displays bright images even in the dark.

#### Keeps Designated Areas Private

Blocks out sensitive or privileged areas defined by users to ensure privacy of controlled access areas or home interiors.

#### Built-In Heater

Equipped with a built-in heater that turns on and off automatically to raise the internal temperature, remaining operationally efficient with no picture loss from -40° F to 140° F.

#### 5-Year Limited Warranty

This camera has a 5-Year Limited Warranty. The warranty includes parts and labor repairs on all components found to be defective in material or workmanship under normal conditions of use. This warranty shall not apply to products which have been abused, modified, disassembled or improperly installed. Products to be repaired under this warranty must be returned to Snap AV or a designated service center with prior notification and an assigned return authorization number (RA).
