

750 Series IP Bullet Cameras (White and Gray)

The WPS-750-BUL-IP Day/Night Outdoor IP Bullet Cameras provides full 1080 support with up to 8 times the resolution of analog models. Watch crystal clear video on PC and mobile devices, as well as streaming video on many popular control systems. Ideal for use in perimeter monitoring for both commercial and residential applications.

Features

High Resolution

IR/Sense-Up

Outdoor-Rated

Adjustable Lens

Wide Dynamic Range

High Definition Streaming

Delivers pristine video with resolutions up to 1920x1080 at a full 30FPS, with a true 16:9 widescreen view.

Sees in the Dark

Eliminates overexposure to evenly illuminate subjects in dark lighting, and displays bright images even in the dark.

Keeps Designated Areas Private

Blocks out sensitive or privileged areas defined by users to ensure privacy of controlled access areas or home interiors.

Provides Crisp, Clear Images

Uses Digital Wide Dynamic Range (D-WDR) to create even lighting and clear images in areas with lots of natural light, and features a digital signal processor that produces crisp, clean pictures.

5-Year Limited Warranty

This camera has a 5-Year Limited Warranty. The warranty includes parts and labor repairs on all components found to be defective in material or workmanship under normal conditions of use. This warranty shall not apply to products which have been abused, modified, disassembled or improperly installed. Products to be repaired under this warranty must be returned to Snap AV or a designated service center with prior notification and an assigned return authorization number (RA).
